OFFICIAL MEMO

Date: 4th January, 2026.

To: Members of the Caleb University Alumni Network (CUAN)

From: The Electoral Committee

Subject: Candidates for the upcoming CUAN election.

Good day, Esteemed Alumni,

This official memo is issued to formally inform you of the qualified candidates contesting in the forthcoming CUAN elections. Its purpose is to enable members to familiarise themselves with the candidates and make well-informed decisions when casting their votes.

In accordance with Article 7, Section C of the CUAN Constitution (as amended in October 2024), eligibility requirements for executive positions at the central level include graduation from Caleb University Lagos (CUL) within the last three (3) years, four (4) years for Vice-Presidential positions, and seven (7) years for the Presidency. In addition, candidates vying for the positions of President and Vice President must have previously served as members of an executive council to be eligible for those offices.

Furthermore, all candidates are required to be of reputable character, be financially up to date with the association, and demonstrate active participation in alumni activities.

While several aspiring candidates did not fully meet these stipulated requirements, certain waivers and exceptions were granted by the Executive Council and the Electoral Committee. These considerations were made in the spirit of inclusiveness and to encourage broader participation in the alumni electoral process.

QUALIFIED – Eligible to run for office

NOT- QUALIFIED *According to the constitution but being considered by the COUNCIL – Eligible to run for office after Consideration.*

NOT QUALIFIED – Ineligible to run for office.

We encourage all alumni to carefully review the constitution as amended October 2024, the candidates and participate actively in the election exercise.
